### The Fine Print:

<sup>1</sup> Training costs are not included in the table above; please see the respective training fee table in Appendix II.

<sup>2</sup> Peak rates apply on weekdays from 8:00 am – 6:00 pm; Off-peak rates apply after-hours, weekends and holidays.

<sup>3</sup> Continuous live video-microscopy bookings of 12 h or more will be charged at 50% of the peak hourly rate.

### CAMiLoD Loyalty Reward Program

Every dollar your lab spends on CAMiLoD microscopy usage will be honoured with one Reward Point (1 Point/\$). For every 4,000 CAMiLoD Reward Points earned within one year (Feb 1 – Jan 31), your lab will be rewarded with a \$800 credit. Credits will be applied to the first quarterly invoice in which the Reward Point threshold is reached; Reward Points will then be reset to zero. Uncredited points will only be carried over into the next year if ≥10,000 CAMiLoD Reward Points have been collected in total per year by Jan 31. Exemptions apply. For details, contact [camilod@utoronto.ca](mailto:camilod@utoronto.ca).

### The Fine Print:

<sup>1</sup> Training period may vary depending on the previous experience of the user and project requirements, which will be estimated following a free one-hour consultation.

<sup>2</sup> Training fees include fees for instrument booking.

<sup>3</sup> Upon demand, comprehensive 3-day training workshops for novices are offered at \$ 500 internal / \$ 600 external.
